Hi Friends,

We just returned from 2 weeks in Hong Kong and the Philippines, so expect to see some new photos and read some terrific insights. The Mystical insights we are sharing in our newsletter are intended to be challenging and/or uplifting. Please feel free to inquire about any questions that come up for you. After more than 50 years of study, Todd usually has answers (spiritual insights) that can help you with your personal or spiritual challenges.

Simply write in and ask -- no charge will be incurred. wisdomandhealing@yahoo.com

After some healing work in the Philippines, some are calling me Kuya Todd -- Kuya means Elder Brother. This pleases me. I am enjoying my new family.

Our blessings go to each and every one of you each and every day.

In love and light,

Todd & Merlyn Puntolillo
